

- Accidents happen! When they happen to your child, someone must pay the bills.
- Here are Accident only insurance plans to help cover your child either 24 hours a day (24-Hour Plan) or while in school (School-Time Plan).
- These plans provide benefits to help meet the cost of medical and Hospital charges.
- If you have other insurance, these plans can help offset the deductibles and coinsurance for those plans.
- If you have no other insurance, these plans will provide basic coverage.
- Any benefits payable by the Policy as a result of medical, surgical, dental, Hospital or nursing service will be paid directly to the Hospital or person rendering such service unless proof of payment in full is provided.

✓		Provides 24-Hour-A-Day protection.
✓	✓	Provides coverage while participating in (or attending) activities organized, sponsored and supervised by the school. Coverage is also provided for travel directly to and from such activities in a Designated Vehicle furnished by the school.
	✓	Coverage expires at the close of the regular school term. (Coverage will be extended while attending academic classes for credit in the summer, when classroom sessions are exclusively sponsored and solely supervised by the school; however, no coverage will be provided for travel to and from classes).
✓		Coverage continues without interruption all summer until school re-opens for the following term.

Optional Football Only Accident Coverage begins on the date of premium receipt by GTL, its representatives or school officials, but not prior to the first official date of practice; and continues through the date of the last official game of the current season including playoffs.

To file a claim: Report accidents to the school official. Simplified forms will be furnished through the principal's office (during vacation time contact the administrators of the plan). Complete proof of loss and accumulated bills must be received by the Plan Administrator within 90 days.
