

1ST Care Plan

2023/2024

PURPOSE

Many colleges and universities are requiring student-athletes to have primary coverage before they can compete for the school in the intercollegiate sports program. Obviously, this is because the claim experience of the colleges and universities, which ultimately drives the premium, is more impacted by the injuries sustained by student-athletes with no primary coverage.

The **1st Care Plan** provides the college/university a vehicle to have student-athletes or the parents of student-athletes purchase coverage, which will, in the absence of other insurance, become primary and cover bills incurred from a covered Accident. This will allow uninsured student-athletes the opportunity to play intercollegiate sports at the college or university and reduce the claim experience from an Injury to the intercollegiate sports insurance claim totals.

POLICYHOLDER

Georgia College & State University will be the Policyholder, not the individual student-athlete.

ENROLLMENT

WE HAVE SET UP A LINK ON FIRST AGENCY'S WEBSITE FOR INDIVIDUAL ENROLLMENT WITH A CREDIT CARD.

<https://www.1stagency.com/buyfirstcareplangeorgiacollegestateuniversity/>

First Agency then prepares a roster list of the enrollees and sends a copy to the college.

The premium is fully-earned upon receipt and no refunds are available.

CLAIM FORM

To avoid delays the claim form, if needed, will be completed and submitted by the college.

EFFECTIVE DATE

The master Policy will be effective August 1; however, the effective date of coverage for each enrollee in the Policy held by the college will be when the enrollment form for that enrollee is received by First Agency.

QUESTIONS & ANSWERS

- Q:** Will this policy cover accidents that are NOT related to a sponsored/supervised intercollegiate sport activity?
A: No. Only accidents occurring in sponsored/supervised games, practices and team travel are covered.
- Q:** Will this policy cover participation in organized activities such as club and intramural sports?
A: No.
- Q:** Will this policy provide coverage if a student-athlete is sick?
A: No. This is accident only coverage. Benefits are not payable for loss due to sickness.
- Q:** If a student-athlete has primary health insurance what benefits do they receive from purchasing this accident coverage?
A: This accident plan may cover various out-of-pocket expenses such as deductibles, denied benefits and co-insurance fees that a student-athlete may be responsible for from their primary health insurance plan, especially if out of the student-athlete's primary care network.
- Q:** Can student-athletes receive a refund if they withdraw from school, or quit the team?
A: No. The policy is underwritten on a blanket basis and only applies to actively enrolled students and only during the period of coverage.
- Q:** If a student-athlete enrolls for only the Fall or Spring semester can the student-athlete receive a pro-rated premium?
A: No. It is understood that enrollment in the plan is designed to cover the primary sport season. Further, to avoid a significant administrative effort tracking these types of transactions we are unable to offer a pro-rata premium option.

An Insured must seek initial treatment for an Injury within 60 days of an Accident. Expense must be incurred within 52 weeks of an Accident.
