

- Accidents happen! When they happen to your child, someone must pay the bills.
- Here are Accident only insurance plans to help cover your child either 24 hours a day (24-Hour Plan) or while in school (School-Time Plan).
- These plans provide benefits to help meet the cost of medical and Hospital charges.
- If you have other insurance, these plans can help offset the deductibles and coinsurance for those plans.
- If you have no other insurance, these plans will provide basic coverage.
- Any benefits payable by the Policy as a result of medical, surgical, dental, Hospital or nursing service will be paid directly to the Hospital or person rendering such service unless proof of payment in full is provided.

24-HOUR	SCHOOL TIME	IMPORTANT PROTECTION FACTS
✓	✓	Becomes effective the date premium payment is received by Guarantee Trust Life Insurance Company (GTL) or its representative (but not prior to the opening day of school). Students participating in preschool practice or play for interscholastic sports sanctioned by the High School Athletic Association will be covered as of the date of actual premium payment but only while engaged in actual practice or game sessions. Other aspects of coverage will not start sooner than the first date of regular school session.
✓	✓	Provides coverage during the hours that school is in regular session.
✓		Provides 24-Hour-A-Day protection.
✓	✓	Provides coverage during the time necessary for travel between the insured's home and the beginning or end of regular school sessions.
✓	✓	Provides coverage while participating in (or attending) activities organized, sponsored and supervised by the school. Coverage is also provided for travel directly to and from such activities in a Designated Vehicle furnished by the school.
	✓	Coverage expires at the close of the regular school term. (Coverage will be extended while attending academic classes for credit in the summer, when classroom sessions are exclusively sponsored and solely supervised by the school; however, no coverage will be provided for travel to and from classes).
✓		Coverage continues without interruption all summer until school re-opens for the following term.

Optional Football Only Accident Coverage begins on the date of premium receipt by GTL, its representatives or school officials, but not prior to the first official date of practice; and continues through the date of the last official game of the current season including playoffs.
