

Pioneer Elite

Affordable Accident & Sickness Insurance Plans for International Students-Athletes in the U.S.

ISP insurance plans have been thoughtfully designed to meet the needs of international students and scholars and exceed U.S. State Department insurance requirements for J1 visa holders, as well as most universities' requirements. **Starting at just \$177 per month**, our plans provide benefits for medical expenses due to an accident or sickness for doctor visits, hospital stays, prescription drugs, and more. In addition, our plans provide important coverages for international travelers including Emergency Evacuation, Repatriation of Remains, and Emergency Medical Reunion. Our Pioneer Elite plan is specifically designed with student athletes in mind and provides benefits for injuries that occur during practice or play of intercollegiate sports.

Simple Enrollment

Enrollment is quick and easy through our website at www.coverage2u.com. Within minutes student-athletes can get covered and download their insurance ID card! Our Member Portal makes it easy for members to access their ID card and claims information 24/7. Schools can also enroll their students using a simple roster.

Legendary Service

If you need help with your enrollment, or have questions about medical care, give us a call. We're here for you! With over 40 years of experience in student health, we are a leading provider of international student insurance plans. Our team understands the unique needs of international students and scholars and are here to help every step of the way. That's why we're trusted by hundreds of schools and thousands of students across the U.S.

A Name You Can Trust

ISP plans are backed by Relation, a trusted name in student health. We currently serve students at more than 800 schools, from large public universities to small private colleges, with programs that cover domestic students, international students, and student-athletes.
